TREE PERMIT

LOT NO. _____

DATE TREE PERMIT SUBMITTED _____

Tree Permit:

A tree permit is an authorization by RMA for the removal of a tree, or for any work that affects the native oak, or its root zone. No person shall trench, grade, landscaping, or destroy, kill or remove any tree as defined on any RMA property, public or private, without a tree permit, or unless authorized as a condition of a discretionary project approved by RMA.

APPLICATION PROCEDURE:

Any person desiring to cut down, destroy, remove or disturb the drip line under any oak tree shall make application to RMA not less than ten (10) days prior to the time desired to take such action. Said application shall contain:

1. A brief statement of the reasons for the removal or disturbance within the drip line of the tree.
2. Consent of the owner of record of the land on which the proposed activity is to occur.
3. A tree survey with the accurate location number, species, size (diameter measured 4-1/2 feet above the ground, approximate height, and approximate canopy diameter) and approximate age (if known) of the tree or trees to be affected.
4. If the project involves other discretionary development, then this survey must be part of the total development plan and must also describe any tree of trees which could be affected by the proposed development.
5. Plan of proposed work (site plan)
6. Arbors report (if required)
7. Other pertinent information.

WRITE A BRIEF DESCRIPTION OF REASONS FOR APPLICATION:

Attach three (3) copies of supporting documentation, i.e., plan of proposed work, tree survey, an arborist report, etc.
